POLICIES AND REGULATIONS FOR STUDENTS

Admission

Philosophy

To find and enroll students that demonstrate a serious desire to learn and apply modalities in the Allied health field.

Entrance Requirements

1. Minimum age for admission is 17. Applicants should have a high school diploma or a GED.
2. All applicants must complete the enrollment application and submit it to the Phlebotomy Training Center of Ohio Institute, 291 East 222nd Street, Euclid, Ohio
3. Admission into the Phlebotomy Training Center of Ohio Institute will be considered after evaluation of the entrance application.
4. Phlebotomy Training Center of Ohio Institute does not discriminate based on gender, sex, religion sexual preference, age, handicap or national origin.
5. Enrollments are accepted any time prior to the start of a new class.

Student Academic Responsibilities

The duration of each institute program is based upon the student taking, passing and completing the program at the time offered. Failure of the program course, withdrawal from the course, and/or leave of absence will lengthen the time to complete a program and therefore increase the cost of attendance.

Standard of Academic Progress

Each student will have a file kept with a record of grades and any other important information as permanent record. Students are required to meet minimum standards as outlined in the school's satisfactory statement. Any student who fall below the minimum standard will be reviewed by the Director and assistance will be provided if determined. Students who continue below the minimum standard one of the following will occur:

1. Provide academic assistance
2. Modify the student's program
3. Academic dismissal

Grading

The record of the student's work is entered and reported accordingly to the following grades:

Grade	Score
A	90-100
B	80-89
C	70-79
D	60-69
INC	Incomplete
WD	Withdrawal

Satisfactory Progress Policy

Instructors use a variety of methods, including observation, interviewing, and testing to determine a student's progress. Grading criteria include exams, quizzes, hands on skills, simulations, practical assistance, class participation and attendance. Exams or assignments missed or failed must be made up within 14 days. Students making unsatisfactory progress are given options to improve skills. The options include additional classes, tutorials and practice with supervision. A minimum grade of 70% is required to successfully complete the course or higher. This is a Pass or fail course.

Course Repetitions

A student must repeat a course in which he/she fails to meet the requirements of that course or program. Repeated courses that are satisfactorily completed may have that grade as replaced the previous failed grade and hours counted as earned. A full tuition will be due for each failed course.

Course Incompletes

Any courses or program not complete will be given to a student as incomplete that does not fulfill all requirements. A student by the third day fails to come to class will have to make up all assignments and hours to meet the standard requirements. Failure to complete all unfinished work will result in a failing grade.

Graduation Requirements

1. Complete and pass all practical and written exams (10 fingerstick/ 30 venipunctures)
 2. Payment in full of tuition and other fees incurred.
 3. Students attendance should follow policies and guidelines
 4. Students should attend all classes (80 hours).

- D. A student who starts class and withdraws after the academic term is forty per cent completed will not be entitled to a refund of the tuition and fees.

Student Financial Responsibility

The students are responsible for any financial obligations incurred while attending the institute. No Certificate will be issued to any student with outstanding obligations including tuition or any other fees to the institution.

Attendance Policy

Student that are absent more than 5% of the regularly scheduled course sessions will result in the student receiving an incomplete in that course, until such time as the material missing has been satisfactorily completed. Tardiness is documented, excessive tardiness or absences are cause for dismissal from the institute of absence is granted. We will work with students to accommodate scheduled problems.

Non-attendance

Any student who misses four (4) consecutive classes sessions is considered to have officially withdrawn from the school.

Withdrawal

Any applicant or student wishing to permanently terminate enrollment must submit a written or oral statement of intent to a school official if withdrawing up to three days prior to the beginning of class a full refund is issued, less any non-refundable enrollment fees after that date see the refund schedule to determine the amount of tuition refunded.

Student Conduct

Positive ethical behavior is expected of all students while enrolled in any program, Students must follow all school policies which includes:

1. Students are prohibited from using possessing exchanging selling and or distributing controlled substance illegal drugs or the unlawful use of alcohol while on school premises or engaged in any school activity.
2. Students are prohibited from coming to school or engaging in any course requirement while under the influence of alcohol or illegal drugs.
3. No firearms knives or weapons are permitted on Institute property.
4. Be on time for class
- s. Respect personal property
6. Proper behavior and courtesy are always expected of students.
7. Follow the attendance policy.
8. Academic honesty.

Dismissal Policy

A student dismissal is viewed as a last recourse. A student may be dismissed for but the following reasons:

1. Violation of the school rules and policies
2. Reoccurring attendance or tardiness problems
3. Poor academic progress
4. Failure to make any scheduled tuition payment
5. Violation of the student conduct policy

A student violating the schools published policies will be expelled when authorized by the school director. In the event of dismissal, any refund will be made according to our refund policy.

Reentrance

Students who are dismissed for unsatisfactory conduct will not be permitted to reenter. Students who are dismissed for unsatisfactory performance and who have proven themselves incapable of doing the work required will not be permitted to reenter. If a student has previously withdrawn, all current application and admission procedure must be followed as if the student is a new applicant. Full tuition at current rates must be paid.

Grievance policy

Every effort is made to maintain open communications between all people associated with the school. The Institute provides an informal complaint procedure. Students are encouraged to contact the instructor to confidently discuss any student problem or concern. If any concern or problem cannot be resolved with the instructor, then the school director can be contacted to schedule an appointment. If a student has gone through this informal procedure and does not think the concern has been reasonably resolved, the student may begin the formal complaint procedure.

Formal Academic and Professional Grievance Guidelines

1. Student submits written complaint with the Institute director.
2. Director provides written acknowledgement of complaint to student
3. Director investigates and give student written response, upon completion of investigation
4. Student may appeal this decision by the Institute to the director of the state board.

Faculty List

instructor's /Qualifications

Renee Blackmon is the founder and owner of phlebotomy Training Center of Ohio. Renee has 30 years as a Phlebotomist and as a Phlebotomy Instructor. She has much experience in many facets, from geriatrics, Pediatrics, state prisons Wellness, clinical trials, nutrient balance, paternity testing, forensics and DNA testing.

Her unwavering specialties in hard to find veins has made her a well sought out phlebotomist in many companies. Renee has a degree in Applied Science. Renee also is a CPR instructor and Phlebotomy instructor. Also, she has partnerships in many lab facilities. Renee has obtained in her years of phlebotomy well over 30,000 blood draws.

Her passion as a phlebotomist and phlebotomy instructor is to see many people such as herself take phlebotomy to higher levels in the industry of medicine. Phlebotomy is on the rise. Many are taking phlebotomy to levels of dentistry, for a PRP approach of regenerating tissue to promote healing in procedures for oral surgery. And hair salons are using plasma for hair growth. There are many facets to use this career in, and my passion is to teach my students how phlebotomy has evolved and how they can enjoy the wonderful world of phlebotomy. There are so many discoveries in this field and I'm going to give my students all I got to a new start of an everlasting career.
